### **CODE OF ETHICS**

#### **VISION STATEMENT & ORGANIZATIONAL VALUES**

We will respect our patients' confidentiality to ensure a trusting, caring environment.

We will maintain clinical integrity as an organization through flexibility, adaptability, efficiency and consumer feedback.

We will meet the challenge of healthcare today by being flexible and an integral part of our community.

Our activities will be consumer focused with input from the community in which we serve.

We will continue to evaluate and re-evaluate our programs through quality assurance.

We will continue to train our staff in all facets of client care.

We will seek to recruit and maintain a culturally diverse staff that will respect and appreciate the difference in their colleagues and the population we serve.

We will maintain a physical environment that is compatible with the clinical and human needs of both consumers and staff.

We will provide for the care and treatment of consumers in all states of care and offer services which embrace harm reduction techniques for the consumers that will continue to struggle with addiction.
